PARTICIPATION CONDITIONS

University of Ottawa students wishing to take part in an exchange program agree to:

- 1) respect the conditions of the exchange agreement;
- 2) respect the rules and regulations of the host institution;
- 3) pay full-time tuition and general fees to the University of Ottawa **prior to their departure for the host institution;**
- 4) entirely or partially reimburse the student mobility scholarship if they decide to cancel their participation in an exchange program (NOTE: this also applies to students who come back after spending only one session at the host institution rather than two sessions);
- 5) attend the pre-departure workshop;
- 6) pay the \$40.00 participation fee;
- 7) arrive at the host institution on the date specified by the appropriate authority (NOTE: some partner institutions reserve the right to cancel an exchange program if the student is not present on the agreed upon date);
- 8) allow the International Office to order my transcript to add to my file. It will be sent to the host institution to which I will be nominated.

I have read the **Participation Conditions** and I agree to abide by them.
